# GLOBAL GOVERNANCE

Tom Farer and Timothy D. Sisk, editors  
Josef Korbel School of International Studies, University of Denver

GLOBAL GOVERNANCE showcases the expertise of leading scholars and practitioners concerned with the processes of international cooperation and multilateralism. The result is a provocative exploration of the most pressing transnational challenges of our time—issues of peace and security, development, human rights, the environment, and health among them—presenting groundbreaking research, opinion pieces, and book reviews.

THE EDITORS and distinguished editorial board are committed to producing a rigorously refereed journal reflecting a wide range of disciplinary and global perspectives.

GLOBAL GOVERNANCE is published in association with the Academic Council on the United Nations System (ACUNS).
